### **What is Family Promise of Indiana County?**

Our work focuses on helping homeless and low-income families achieve sustainable independence through a multifaceted response. We provide advice, education and advocacy for at-risk families to prevent their becoming homeless, we offer food, shelter, and case management for homeless families and post-shelter support to help families maintain independence. Over 400 volunteers serve each year. We are a nonprofit, tax-exempt organization and do not receive government funding. Since starting our program in 2011, 84% of families had maintained permanent housing.

### **What is the MONOPOLY Challenge?**

The MONOPOLY Challenge is a life-size, live board game, played by sponsored Teams. The board is 33 x 33 feet and each team dresses up one of their members to be a life size pawn. Each Team also has several characters including bank tellers and property managers. Referees and a game moderator will ensure the rules are being followed. The Teams play an abbreviated game of Monopoly for about two hours and the audience gets to participate with a chance to win fun prizes. **NEW THIS YEAR: An amazing Basket Raffle with great baskets, a premium basket table and a 50/50 drawing. We have an extra special premium basket: Two tickets to see Blake Shelton on March 23, 2023 at the PPG Paints Arena!**
